February 13, 2008

Dear Pastor:

I hope all is going well with you and your church. I am writing to encourage you and the men of your church to attend the District Men's' Retreat at Poplar Point Camp. It is scheduled for May 2-3, 2008. These dates are a Friday and Saturday so they will not interfere with your Sunday services.

This year's speaker will be Rev. Craig Smith, an Ojibwe Indian. He is licensed and ordained by The Christian & Missionary Alliance as a National Evangelist. He is currently the director of On Eagles' Wings a cutting edge Native American Evangelistic team. Your men will be thoroughly challenged and blessed by his ministry.

Please mark these dates on your church calendar! You will find enclosed flyers for your bulletins and brochures with registration forms for the men interested in attending. If you have any questions feel free to call me or the District office.

Looking forward to seeing you at Men's Retreat!

Reaching men for God,

Jimmy Johnson
